OTO.11236 MAINTENANCE SPRAY - 480ML

This multipurpose spray lubricates, cleans, and protects against corrosion. Advanced formula of penetrating solvents and corrosion inhibitors, instantly displacing water from damp surfaces, making it your all-in-one solution for efficient maintenance.

OTO.11237 WD40 LUBRICANT SPRAY - 300ML

WD-40 serves as a versatile solution for various mechanical maintenance tasks at home or in the workplace. Utilise it to shield metal from rust and corrosion, eliminate grime and grease, and provide lubrication to surfaces such as door hinges, gardening tools, power tools, and numerous other applications.

OTO.11242 WHITE LITHIUM SPRAY GREASE - 400ML

Perfect for heavy-duty applications to keep your equipment running smoothly. Designed to prevent rust and corrosion, its versatile formula offers three key benefits: long-term lubrication, a protective layer, and suitability for use on metal parts.

OTO.11243 GREASE CARTRIDGE - 400G

A high performance grease suitable for use on bearings, and is suitable for most grease guns. Outstanding load-bearing and anti-wear properties reduce lubrication costs. Excellent rust and corrosion protection. Multi-purpose applications.

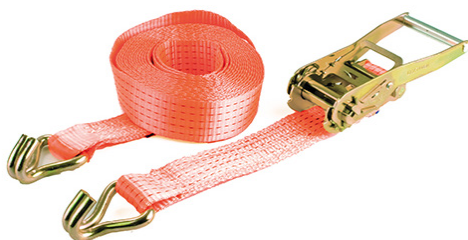

OWS.9066
1000KG LOAD CAPACITY
RATCHET STRAP - 25mm x 4M

High quality straps with ratchet tensioner.
Complete with claw hook attachments.

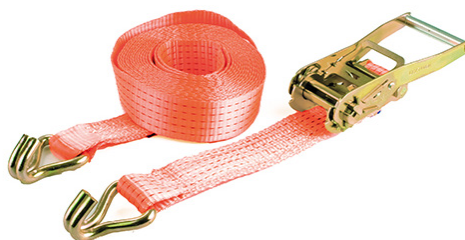

OWS.9404
4T LOAD CAPACITY RATCHET
STRAP - 50mm x 10M

This robust solution offers secure and reliable cargo restraint for heavy loads, with a 5000kg rated break force. Featuring a double-locking long wide handle ratchet, claw hook end fittings, and crafted from blue 50mm width high tenacity polyester webbing.

OWS.9067
5T LOAD CAPACITY RATCHET
STRAP - 50mm x 4M

High quality straps with ratchet tensioner.
Complete with claw hook attachments.

OWS.9068
5T LOAD CAPACITY RATCHET
STRAP - 50mm x 8M

High quality straps with ratchet tensioner.
Complete with claw hook attachments.

OWS.9700
POLYPROPYLENE ROPE -
6M X 220M

Three strand polypropylene, tough, hard-wearing general purpose rope. Rot, mildew and chemical resistant. Used in numerous industries for securing, tying, barriers etc. Polypropylene rope also floats.

OWS.9899
POLYPROPYLENE ROPE COIL -
8mm x 220M

Three strand polypropylene, tough, hard-wearing general purpose rope. Rot, mildew and chemical resistant. Used in numerous industries for securing, tying, barriers etc. Polypropylene rope also floats.

OWS.9701
SCAFFOLD DEBRIS NETTING - 2M x 50M

Heavy duty, plastic, durable debris netting. For use on scaffolding to protect pedestrians and traffic from falling debris.

OWS.9843
DE-ICER SPRAY - 500ML

An efficient de-icer that melts ice swiftly on vehicle windscreens, ensuring a clear, streak-free finish. Effective down to -15°C, it's your reliable solution for icy conditions.

OWS.9183
DE-ICER AEROSOL SPRAY - 600ML

A powerful aerosol deicer removing frost quickly and easily without smearing. Prevents dangerous refreeze. Operates down to -20°C. Paintwork safe.

OWS.9544
ICE SCRAPER/SQUEEGEE

Valuable tool to quickly remove ice, snow, condensation and water from glass surfaces.

OWS.9405
SCREENWASH CONCENTRATE - 1L

Effortlessly clear dirt, debris, and insects from your windscreen. Simply dilute with water for a no-smear formula that leaves your windscreen crystal clear. Specially developed for all seasons, it's your go-to solution for maintaining visibility. 1 litre.

OWS.9867
SCREENWASH CONCENTRATE - 5L

Effortlessly clear dirt, debris, and insects from your windscreen. Simply dilute with water for a no-smear formula that leaves your windscreen crystal clear. Specially developed for all seasons, it's your go-to solution for maintaining visibility. 5 litres.

OWS.9561 EMERGENCY WARNING TRIANGLE IN CARRY CASE

Essential for travel in the UK or abroad, in case of accidents or breakdowns, hazard lights or a warning triangle are compulsory. With free-standing, extra-strong support feet and high reflectivity for nighttime visibility, it ensures your safety on the road. E and CE marked for use in the UK and Europe.

OWS.9870 TRAFFIC FILM REMOVER - 25L

As you're driving, your car is liable to pick up a thin layer of grit, dirt and oil which can be quite difficult to scrub off. A good TFR will easily break down this grime and remove it, often without any effort on your part. For use with all makes of pressure washer.

OWS.9060 DASH & GLASS INTERIOR CLEANER - 500ml

The only 2-in-1 cleaner for plastics and glass. This easy-to-use spray is safe and effective on all interior hard surfaces, including tech screens. It leaves dashboard areas dust-free, non-greasy, and UV protected, preventing fading for a pristine finish.

PACK OF 6

OWS.9061 JUMBO CAR SPONGE

Super-absorbent whilst holding water and removing dirt from paintwork, glass, trim, wheels and tyres. Jumbo size means this sponge has a large surface area for effective cleaning with minimum effort. Anti-scratch properties.

OWS.9475
TELESCOPIC HANDLE
WATERFED BRUSH

This long reach water fed brush is ideal for many cleaning tasks, windows, cars, vans and caravans.

OWI-15455
K5 COMPACT PRESSURE WASHER
145 BAR 240V

The Kärcher K 5 Compact Pressure Washer has a state-of-the-art, water-cooled motor, providing all the cleaning power and energy efficiency you'd expect from Kärcher, packed into a conveniently small machine that's easy to move around and store. Ideal for cleaning any outdoor space and surface. A telescopic handle makes it easy to manoeuvre.

OTO.11246
