KÄRCHER

T 11/1 CLASSIC

Lightweight Compact Vacuum Cleaner

T 11/1 CLASSIC

Low weight, high suction power, robust dry compact vacuum cleaner

- Easy and comfortable to transport and store.
- The robust bumper protects the vacuum cleaner from knocks and bumps.
- Long-lasting, robust and thus very economical machine
- Versatile and can be used in places with high hygienic requirements
- Ideal for use in the hotel sector, catering establishments, retail and building cleaning
- For all hard surfaces, e.g. tiles, natural stone, PVC, linoleum. Carpets & Rugs

KÄRCHER

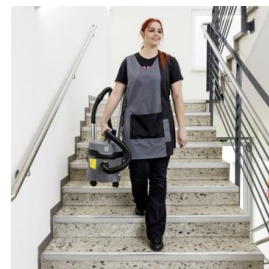

Cable Hook

- The power cable is always stored safely for transport.
- Practical cable storage.

Low Operating Noise

- Only 61 dB(A) in operation.
- Ideal for working in noise-sensitive areas and at night.
- Low operating noise protects the user.

Lightweight

- Effortless one-handed transport over ledges and steps.
- Lower weight with identical container volume compared to competitor models.
- Designed for long periods of fatigue-free use.

KÄRCHER

T 10/1 ADV

Robust Vacuum Cleaner with Powerful Filtration

T 10/1 ADV

Robust enough to withstand the demands of contract cleaning, it offers powerful filtration and easy operation.

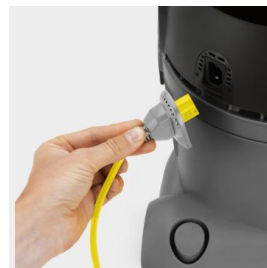

- The power cable is always stored safely for transport.
- Ideal for use in the hotel sector, catering establishments, retail and building cleaning
- For thorough cleaning of all floors – from hard floors to carpets

KÄRCHER

Large Filter

- Extremely strong and dense enough to allow vacuuming for longer periods of time.
- Large, round permanent main filter of washable nylon

Service Friendly

- The cable can be replaced quickly and easily by simply loosening 2 screws. This saves time and service costs.

Added Convenience

- No need to bend down.

Available from all BUNZL Depots
